'GREEN EARTH, CLEAN EARTH - OUR COMMITMENT'

MUMBAI: St Wilfred's School organised an eye-opening session based on the topic, RRR (Reduce, Recycle, Renew). To accomplish this, the founder, chairperson and trustee of Pankhi Foundation, Minakshi Chakraborty was invited to our school premises today.

She shared her invaluable experiences working in her NGO and spread her goodness to our young minds. She briefed us about the different aspects as well as various accomplishments of her NGO and cheered up the students to sense their responsibilities towards their nation and their environment. Her exhilarating words geared up the students as they started coming up with their queries. Also, our young minds accepted the challenge and volunteered for their responsible behavior towards their society, their environment, and their motherland. The principal inspired students to support the environment and help the needy.

Eye-opening session on RRR

The competition focused on "Science and Technology for the Society"

St Mary's School seniors win big in Science expo

MUMBAI: Excitement filled the air as senior students from St. Mary's High School clinched the top spot in the science exhibition of the R/E ward. The competition focused on "Science and Technology for the Society" and drew participation from schools across Kandivali East to Dahisar East.

The winning project, named "women safety shoe," tackled the important issue of women's safety. The students crafted a device hidden in the shoe to help protect against potential troublemakers. This innovative solution showcased not just technical skills but also a strong desire to make a positive impact on society.

Facing tough competition with 221 projects on display, St. Mary's High School stood out in the health category. Judges were impressed by the practicality and real-world application of the women's safety shoe, recognizing its potential to make a difference in ensuring women's safety.

During the award ceremony, the winning students received certificates, acknowledging their hard work and creative thinking. St. Mary's High School also proudly took home the winner's trophy, a symbol of the school's dedication to encouraging scientific curiosity and

addressing important societal issues. THE WINNING PROJECT, NAMED "WOMEN SAFETY SHOE," TACKLED THE IMPORTANT ISSUE OF WOMEN'S SAFETY. THE DEVICE IN THE SHOE WILL HELP PROTECT AGAINST TROUBLEMAKERS

Dr AF Pinto, the chairman of the esteemed Ryan group of institutions, has always championed a vision of holistic education. His commitment to fostering a learning environment that combines academic excellence with a focus on societal issues has played a pivotal role in inspiring students to think beyond textbooks and engage in innovative projects. The success in the science exhibition reflects the embodiment of this vision, encouraging students to not only excel academically but also contribute meaningfully to the betterment of society. As the trophy finds its place in the school's display, it stands as a testament to the Chairman Sir's enduring vision and the students' dedication to making a positive impact.

Christmas celebration at IES Ashlane Primary School

MUMBAI: Christmas is a very important festival for Christians however the people of other religions across the world celebrate it.

It falls on the 25th of December every year. It is celebrated as the birth anniversary of the Lord Jesus Christ, the founder of Christianity. It is believed that Lord Jesus Christ was sent to the earth to save mankind. There is a big tradition of distributing gifts at midnight of Christmas by Santa Claus to everyone in the family members. Santa Claus comes in the night to everyone's house and gives gifts to all, especially to the children as children eagerly wait for this day and

Santa's gifts. So, this year Santa Claus visited our I.E.S. Ashlane Primary School on 26th of December '2023. We were all surprised to see Santa Claus. All the pupils were excited. Santa Claus visited all the classes with our beloved Principal Karuna Madam. There were surprise gifts for all of us. Children enjoyed singing and dancing with Santa Claus. All the class teachers gave the importance of Christmas festival and New Year too.

The atmosphere of the school was joyful as Santa Claus arrived in our school lobby and X'mas bells started ringing and children started singing Jingle bells.

Santa Claus visited our I.E.S. Ashlane Primary School on 26th of December '2023.

17th Ryan International children's festival, 2023

The aim was to provide the children opportunity to learn about cultures.

MUMBAI: Over 30,000 people enjoyed the 17th Ryan International Children's Festival hosted by the Ryan Group from 13th to 17th December 2023 at Talkatora Stadium and Dr Ambedkar International Centre National Bal Bhavan, Delhi. The grand closing included highly inspiring performances and a Gala Award Ceremony for the winners of the competitions held during the festival.

Dr Grace Pinto, the brain behind the conceptualisation of this mega

event said, "We are thankful to our Lord Jesus Christ for his hand of protection and safety over each and every participant during the entire event. We are happy that over 13000 young ambassadors have taken back home the message Family Values, Love and Unity through this international event."

The aim of the festival was to provide the children of the world, the opportunity to come together to exchange ideas, learn about cultures and develop respect for each other

Celebration of success and culture

MUMBAI: Sheth Vidya Mandir celebrated its Annual Extravaganza on the 29th and 30th December 2023 with great pomp and festive spirit. "Prism-the colours of life" was the accorded theme of the Annual Day Celebration. The cultural event was set rolling by evoking the blessing of Lord Ganesh through a beautifully choreographed welcome prayer dance.

Success is the result of perseverance & perfection. Students who excelled in academics were awarded trophies, certificates, gifts and cash prizes by the dignitaries. The tiny tots with their enchanting smile and cute moves captivated the audience. The

mobile addiction and Say No to Plastric act were eye-openers with a strong social message. Dances showing the diversity in Indian culture captivated & enthralled the audience. A well-organised and well-coordinated Malkhamb act left the audience awestruck.

Performances like the Shiv-Tandav and Radha-Krishna were like the icing on the cake which seamlessly transported the audience into the world of bliss & divinity. The bedazzling & magnificent show left the audience spellbound and craving for more. The annual extravaganza not only enchanted all but also brought to the fore the talent of the students.

Sheth Vidya Mandir celebrated its Annual day on the 29th and 30th December.
